Personal Development T.E.A.M.
Karate instructor, Team co-ordinator. For Child and adults classes.
EN9 2WE. Motivation empowerment.

My Qualifications and Skills.

- I have had memorable six months work experience and training in Nigeria that has developed and broadened my knowledge communications skills to a much wider more diverse range of people. I am good at crossing cultural barriers and maintain good relationships with people from walks of life right from Homeland security Chicago U.S.A. to Villages in tribal Africa.
- I have completed M.C.S.E. security with online-study and support from Microsoft trainer at Kings Cross and Selby Centre 5e Tottenham. In Jan 2004, I celebrated passing my final exam to qualify as a Microsoft Certified Systems Engineer. I have also CompTIA Security + Specialization certification since December 7 2009.

- Christ's College. September 1989 - January 1997

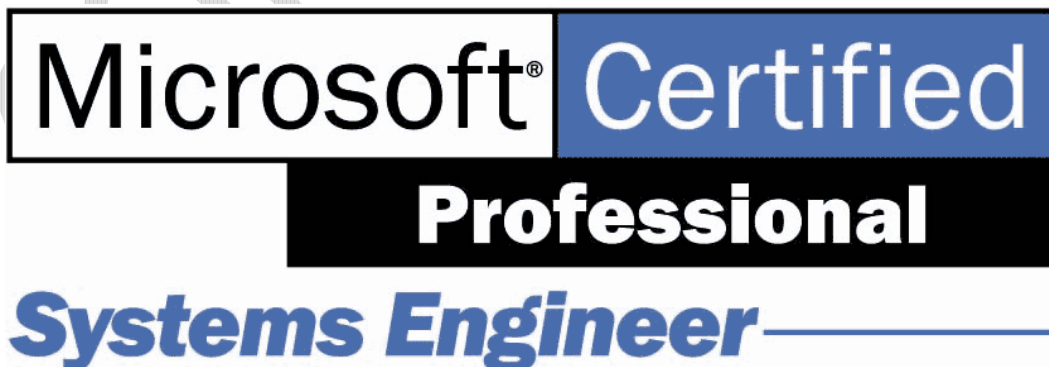

I have 7 GCSE's of summer 1994 with grade C English and C French, I completed A-level studies in Advanced Maths, 1996 end '97. I like work with Business Technology Media. My Geographic talent is excellent Grade B GCSE, The Knowledge Highway Streets. Three times PDI.

I have most recently successfully completed PT3 advanced Driving instruction course with the AA driving school in 2010, awaiting DSA recognition target 2013.

Interests Hobbies and personal goals.

I often travel and visit family in Africa for celebrations, and America for Saviours day. I regularly send Emails read books listening to DVD's and like going out to conferences. My on-going driving ambition is pass PT3 instructor test with DSA and also to drive a transporters lorry for Aston Martin or Ford Motors these ambitions are on hold for now while I further build and maintain my IT Environment using secure business practices and metropolitan support trust.
